SEASONAL MOORING ENQUIRIES

April 1st or Good Friday, whichever comes first, until October 31st

We are unlikely to be able to offer you a winter mooring

Our waiting list opens on **November 1st** for the following season.

If you have been on last year's waiting list and were unsuccessful, you will need to reapply. However, you will be put to the top of the list for the length of your boat, in date order as per last year's request.

If you were not on last year's list you will be put on this year's list after last year's unsuccessful applicants, in date order of us receiving your application.

All applications must be in writing (email, post or, by arrangement, fax) **and have:**

The date of the application.

It is unlikely that you will be offered a mooring before February.

It is not possible to give an indication as to whether you will be offered a mooring. This depends upon those with moorings, making the decision to give their mooring up.

When you are offered a mooring it is usual for us to give you 10 days to return your signed agreement and your payment, which must be by cheque or cash. We do not accept credit or debit cards and we prefer you not to use a bank transfer.
